

COMMUNITY SERVICE VOLUNTEERING

Do you have court-mandated or other types of community service that require formal verification?

We run food repack/sort volunteer shifts that are 2-3 hours in length Monday-Saturday on a set schedule. [Please refer to the COVID-19 & Volunteering Resource Page for more details.](#)

We do not accept volunteers whose charge relates to an act of violence, weapons and firearm offenses, and sexual misconduct.

Please fill out the [Mandated Community Service Application](#) Once your application is approved you can sign up for shifts. All volunteers must register ahead of time. Each shift has a limited number of spots. Walk-ins may be turned away.

Court Mandated Program Rules:

Non-compliance of these rules may result in immediate dismissal from our program.

- New Volunteers are required to complete the [New Volunteer Application](#) before you attend your first shift.
- You must sign up for shifts in advance, on our [Volunteer Online Action Center](#). Only Food Repack/Sort volunteer shifts at our warehouse locations in Beaverton and NE Portland are eligible in this program.

At the shift, you are required to:

- Sign in with the volunteer coordinator as you enter the shift.
- Log your hours on Oregon Food Bank's court-mandated paper time-sheet and have the shift coordinator initial your hours at the end of each shift. (ask Coordinator for the location of blank paper time-sheets)
- It is your responsibility to request a court-mandated paper time-sheet from the shift coordinator. Your time sheet must remain onsite.
- You get credit only for the hours you actually work. Sometimes shifts end early due to food supply.
- Only 2 unexcused absences are allowed. If you can't make a shift, you must cancel it online. If you cancel it does not count as an absence.
- Oregon Food Bank has a zero-tolerance policy for misrepresenting hours.

Please reach out to Jen Naas at volunteer@oregonfoodbank.org with any questions.
