

# If not a food drive, how can I help end hunger in my community?

Hunger in Oregon is caused not by a lack of food, but by a lack of access. **To end hunger for good, we need true food justice.** This will take more than food drives. Instead of supporting these drives, we focus on:

Purchasing nourishing, culturally-relevant food like fresh or frozen produce

Supporting legislative change that addresses the root causes of hunger: **poverty and inequity**

Building equitable food systems for all

**So how can you help?** There are many ways to get involved in the cause of ending hunger.

- **Organize a Workplace Giving Campaign** to make a collective impact
- **Host a fund drive** to give us the tools we need to end hunger for good
- **Sign up for advocacy alerts** to help pass anti-hunger legislation
- **Set up a workplace Matching Gift program**
- **Volunteer** at our locations or at a partner agency
