

**FOOD FOR ALL
OREGONIANS**

We can take action now to guarantee Food for All Oregonians

Hunger affects everyone in our communities in some way — and when we all have access to food, we're all better off.

That's why we're introducing legislation to create a state-funded program that ensures everyone in Oregon has access to the food we need no matter where we were born.

BOLT is committed to eliminating the systemic barriers that continue to prevent Black communities from securely accessing land, because we believe that land sovereignty is the key to achieving our visions of food justice, generational wealth and health, cultural preservation, and thriving communities.
