

We can take action now to guarantee Food for All Oregonians

Hunger affects everyone in our communities in some way – and when we all have access to food, we’re all better off. Kids do better in school, our families’ health and well-being improves, and our economy thrives through support of local businesses. This is true in every corner of Oregon – in rural, urban and suburban communities alike – and we’re building the community power needed to make Food for All Oregonians possible.

That’s why we’re introducing legislation (SB 610) to create a state-funded program that ensures everyone in Oregon has access to the food we need. This game-changing policy will:

- Make food assistance available to all Oregonians who are currently excluded due to immigration status
- Provide families with money for groceries that matches federal SNAP food assistance benefits
- Ensure everyone is aware of this vital support through community navigation and outreach, improved language access and more
