# Act now to help end hunger in Oregon

**Everyone deserves access to food.** Yet over 300,000 Oregonians are at risk of losing the food assistance they rely on after Congress passed H.R. 1, which made the largest cuts to SNAP (formerly known as food stamps) in U.S. history.

**Together, we can ensure all of us can access the food we need to thrive.**

Join the Food for All Oregonians coalition in urging our lawmakers to pass the **Anti-Hunger Package**, which will:

- **Make sure all Oregon kids can eat breakfast and lunch at school**, no matter where they live
- **Protect SNAP for Oregonians** to sustain our most effective anti-hunger program
- **Provide relief for humanitarian immigrants** who lost SNAP
- **Fund Oregon's Food Assistance Network** so it can keep food flowing to the growing number of Oregonians experiencing hunger

The Anti-Hunger Package is how we make sure everyone in our communities can access nourishing food. Learn more at [FoodForAllOR.org](https://www.FoodForAllOR.org).
