

How do I make a gift of stock or IRA?

Thank you for your interest in donating to Oregon Food Bank! To make a gift of securities, please contact your broker or investment company and complete the necessary transfer paperwork. Once you have initiated your gift, please notify our Donor Relations Coordinator of the type and amount of the securities being donated. This helps us properly acknowledge and attribute your gift, as stock donations often arrive without donor information and IRA distributions may not include donor details.
